

# ACP SERIES

24W 32W

## SLIMLINE INTEGRATED LED PANEL

The ACP series offers a modern, high output LED panel in a driverless direct AC configuration. Our ACP series uses a range of LED chip modules which use 70% less energy and last up to 10 times longer than conventional fluorescent fittings.

The ACP model is seen as the perfect model for commercial fitouts due to its low maintenance requirement, high lumen/watts and low cost.
