

CGS SERIES

20W 28W 38W

CIRCULAR LED SHOPLIGHT

The CGS series is a distinct circular LED shoplight with 350 degree gimbal functionality. The LED based CGS offers powerful lumen performance in a simple configuration for multiple applications. The CGS series is complete with anti-glare woven tempered glass faceure and a 120 degree beam angle.

The high powered SMD chip configuration delivers a high efficacy and colour render index rating whilst offering multiple colour choices. The adjustable gimbal allows recessed and flicker free directional light.
