## RECTANGULAR LED GIMBAL SHOPLIGHT

The RGS series is a distinct rectangular LED shoplight with gimbal functionality. The LED based RGS offers powerful lumen performance in a simple configuration for multiple applications.

The RGS series is complete with woven tempered glass faceure and a 120 degree beam angle. The high powered SMD chip configuration delivers a high efficacy and colour render index rating whilst offering muliple colour choices. The adjustable gimbal allows recessed and flicker free directional light.
