

# SSL SERIES

18W 36W

## SOLID STATE WEATHERPROOF LED BATTEN

The SSL series has been product developed for the Australian market allowing superior energy savings without compromising lumen output.

Considered the revolutionary replacement for traditional weatherproof fluorescent fittings, our SSL series combines sleek 'tube less' design with top of the range LED components to deliver performance and power for the market place. The SSL fitting comes with a microwave and light harvest sensor as standard which provides flexibility to meet all site requirements. The SSL is available in Emergency configuration.

### SPECIFICATIONS

CCT	4000k-6500k
Chip Type	SMD
Dimmable	Yes
Ingress Protection	IP65
Sensor	Yes
Emergency	Yes
IPART Approved	Yes

### MAIN FEATURES

- High efficiency rating
- >80 colour render index rating\*
- Light Harvest Sensor
- Motion Sensor
- SAA Approved
- EEIS (ACT) Approved
- Available with different diffusers
- High grade PC materials
- Weatherproof
- 3 Year Warranty

\*Available upon request

### APPLICATIONS

- Carparks
- Fire escapes
- Emergency lighting
